RECORDATION NO. 7731 - A Filed & Recorded

INTERSTATE COMMERCE COMMISSION
GATX CORPORATION, a New York corporation
("GATX"), and GENERAL AMERICAN TRANSPORTATION
CORPORATION, a New York corporation and a
wholly owned subsidiary of GATX (the
"Subsidiary").

GATX proposes to transfer to the Subsidiary the properties constituting the Transportation Division of GATX, which properties do not constitute all or substantially all the assets of GATX.

GATX is party to the Leases and Agreements and the Equipment Trust Agreements, as supplemented, listed in Schedule I hereto (the "Equipment Trust Agreements"), and desires to transfer and assign to the Subsidiary the rights of GATX under the Equipment Trust Agreements.

Pursuant to Article Sixth of the Leases constituting part of Equipment Trust, Series 55, and Equipment Trust, Series 56, and pursuant to the first sentence of Section 5.09 of each other Equipment Trust Agreement, GATX is obtaining the consents required under the Equipment Trust Agreements to the aforesaid assignment and transfer and, in connection therewith, is furnishing a copy of this instrument to the respective Trustees listed in Schedule I hereto (the "Trustees") under the Equipment Trust Agreements.

NOW, THEREFORE, effective upon the transfer of the properties of the Transportation Division to the Subsidiary by GATX and in consideration of the mutual promises and agreements hereinafter set forth, the parties hereto do hereby agree as follows:

1. GATX hereby assigns and transfers to the Subsidiary the rights of GATX under the Equipment Trust Agreements, including, without limitation, the right to possession and use of the railroad equipment subject to the Equipment Trust Agreements and, to the extent presently permitted to GATX under the Equipment Trust Agreements, the right to furnish said equipment to railroad companies and others and to sublet said railroad equipment. Notwithstanding this assignment and transfer, GATX agrees, for

the benefit of the Trustees under the Equipment Trust Agreements and the holders of the Equipment Trust Certificates issued thereunder (the "Equipment Trust Certificates"), to retain responsibility for the performance of the guaranties of GATX set forth in the Equipment Trust Agreements and endorsed on the Equipment Trust Certificates and for the performance and observance of every other agreement, covenant and limitation of GATX set forth in the Equipment Trust Agreements; it being recognized that, except as set forth in the paragraph of the aforementioned consents of the Trustees relating to performance by the Subsidiary of obligations to be performed by the Company (as such term is used in the Equipment Trust Agreements), the Trustees and the holders of the Equipment Trust Certificates may continue to treat GATX as the Company (as such term is so used) for all purposes of the Equipment Trust Agreements.

2. Without releasing GATX from its obligations and covenants under the Equipment Trust Agreements, the Subsidiary assumes and agrees to pay and perform on behalf of GATX each and all the obligations and covenants of the Company (as such term is used in the Equipment Trust Agreements) under the Equipment Trust Agreements not otherwise performed directly by GATX, including, without limitation, the leases of the railroad equipment contained in the Equipment Trust Agreements, and the aforementioned guaranties of GATX in the event GATX does not perform such guaranties, and to be bound by all restrictions in the Equipment Trust Agreements, including, without limitation, the requirements of the Equipment Trust Agreements with respect to subleases of the Trust Equipment (as such term is defined in the Equipment Trust Agreements), applicable to the Company (as such term is so used) as if the Subsidiary were the Company.

3. Notwithstanding the provisions of this Agreement, the failure to be performed of any obligation of the Company (as such term is used in the Equipment Trust Agreements) contained in the Equipment Trust Agreements shall continue to constitute a breach of such obligation by the Company (as such term is so used) and the failure to be performed of any obligation of GATX or the Subsidiary contained in paragraph 1 or 2 of this Agreement shall be deemed for the purposes of the Equipment Trust Agreements to constitute a breach of the corresponding obligation by the Company (as such term is so used) set forth in the Equipment Trust Agreements, and the remedies set forth in the Equipment Trust Agreements arising from such breach may be pursued against

GATX, the Subsidiary or both or their respective assets.

4. If GATX makes any payment of rent or other obligation under the Equipment Trust Agreements, the Subsidiary agrees promptly to reimburse GATX for the same.

5. The provisions of paragraphs 1, 2 and 3 of this Agreement and the obligations set forth therein are expressly for the benefit of the Trustees under the Equipment Trust Agreements and the holders of the Equipment Trust Certificates.

6. This Agreement shall be governed by and construed in accordance with the laws of the State of New York.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed in their respective corporate names by officers thereunto duly authorized, and their respective corporate seals to be duly affixed and attested all as of the date first above written.
